Introduction

Bharat Agri Tech is a premier annual agriculture exhibition that brings together stakeholders from across the agriculture ecosystem under one roof. The event emphasizes agri-innovation, training, and industry collaboration, along with conferences and live demonstrations. It serves as a bridge between farmers, technology providers, policymakers, and agribusiness companies, enabling direct interaction and knowledge sharing.

This is the 7th edition of Event which held at College of Agriculture Ground, Indore, Madhya Pradesh in 09-11 Jan 2026.

Objectives

To provide a platform for B2B, B2C, and B2G networking

To showcase latest agricultural technologies, machinery, and innovations

To promote organic farming, cow-based products, and sustainable agriculture

To create awareness about government schemes, subsidies, and agri-startups

To strengthen market linkages between producers and consumers

To promote exports and enhance agri-based entrepreneurship

To generate employment and business opportunities in the agriculture sector

INAUGURATION

The event commenced with a grand inauguration ceremony attended by dignitaries, government officials, agricultural experts, and industry leaders.

Event inaugurated by the **Shri Aidal Singh Kansana** (Agriculture Minister- MP), **Shri Mahesh ji Chaudhary** (Kshetriya Sangathan Mantri, Bhartiya Kisan Sangh M.P. C.G.), **Shri Laxminarayan Patel** (President, Bhartiya Kisan Sangh, Malwa Prant), **Shri Bharat Singh** (Dean College of Agriculture Indore), **Shri Meena Ji** (ZDA Agriculture), **Shri KL Kevda** (DDA Indore), **Shri Nilesh Gupta ji** (Director Malwam Federation) .

IMPORTANT FACTS & FIGURES

The Bharat Agri Tech Agriculture Expo, held annually, is one of the premier agricultural events showcasing advanced farming technologies, horticulture, dairy, organic products, and sustainable agri-solutions.

The event traditionally attracts Ministers, Government Officials, policymakers, experts, industry speakers, and trainers, alongside thousands of visitors from across India and around the globe. It fosters knowledge-sharing, networking, and business collaborations, ultimately driving the future of sustainable and profitable agriculture. 🚜🌱🌟
